This option assures you and your designated beneficiary a reduced benefit for lifetime. Should you die, your designated beneficiary will receive the same lifetime benefit. Because this option guarantees two specific people an income for life, the life expectancies of the retiree as well as the beneficiary are taken into consideration. Therefore, once you designate a beneficiary and the option is in force, you cannot change your beneficiary designation, even if they precede you in death. You may only nominate a primary beneficiary under this option.

Beneficiary Selection

This is split into two sections: Section A - Designation of Beneficiary and Section B - Nomination of Your Estate. It is important that you only fill out one section. If you fill out both, your selection will be voided.

Section A - Designation of Beneficiary

A designated beneficiary is the person on file at NYCERS to receive a survivor benefit payable upon the death of a member in active service. If you decide to nominate your estate rather than a person DO NOT FILL OUT THIS SECTION, and see Section B.

The beneficiary whom I wish to nominate to receive my benefit is:

Section B - Designation of Estate

Please initial the box below if you wish to nominate your estate. You may not fill in the above section if you fill out part B.

I am nominating my Estate as my beneficiary for my regular death benefit. I understand that in order for this selection to be valid I may not write in any other beneficiary's name on this form, and I have, in fact, left all other Designation of Beneficiary sections on this form blank.

Should your death be the result of an on-the-job accident, an accidental death benefit is payable upon application in this priority; spouse (who has not remarried), child under the age 25, dependent parent, or any other qualified dependent under the age of 21. If no such beneficiary exists, then your benefit is payable to the names you list on this form.
