## **Section B - Designation of Estate**

Please initial the box below if you wish to nominate your estate. You may not fill in the above section if you fill out part B.

I am nominating my Estate as my beneficiary for my regular death benefit. I understand that in order for this selection to be valid I may not write in any other beneficiary's name on this form, and I have, in fact, left all other Designation of Beneficiary sections on this form blank.

Should your death be the result of an on-the-job accident, an accidental death benefit is payable upon application in this priority: spouse (who has not remarried), child under the age 25, dependent parent, or any other qualified dependent under the age of 21. If no such beneficiary exists, then your benefit is payable to the names you list on this form.
