

New York City Employees' Retirement System Job Vacancy Notice **CITYWIDE**

Civil Service Title: Computer Specialist (Software), Level 3

Salary: \$85,853 - \$121,363 (Annual)

Title Code: 13632

Division: Information Technology

Unit: Custom Solutions

Job Description:

NYCERS IT/Business Solutions unit is seeking a highly technical application developer for SharePoint 365, with a broad scope of independent initiative and judgement, responsible for the design, implementation and maintenance of internal SharePoint portal and custom applications that supports the business. This will include design, development and configuration of SharePoint out of the box features including webpages. Forms workflows, SharePoint Designer Document Libraries and implementing new features integrating with Cloud Services and third party tools. The developer will do custom coding using C# and MVC or Java 1.8, JSP, JDBC, JavaScript, JSON objects and PowerShell scripts. The person will also be responsible for SharePoint administrative tasks including managing security for sites and sub-sites.

Preferred Skills and Experience:

- 5-7 years of experience developing and maintaining medium to large SharePoint implementations.
- Experience developing enterprise grade application in C# or Java with MVC architecture
- Extensive experience with SharePoint out of the box features, Content management, Wiki, Blogs and search configurations.
- Experience with Business Connectivity Services, Master pages, Apps, Page layouts, user store, web parts and Workflow Foundation.
- Experience using and configuring SharePoint Designer.
- Experience with designing, building and managing large document libraries.

MINIMUM REQUIREMENTS ARE ATTACHED

New York City residency is not required.

NYCERS is an Equal Opportunity Employer.

Applicants must be permanent Computer Specialist (Software) or reachable on the Computer Specialist (Software), Exam No. 7005 list.

TO APPLY FOR CONSIDERATION, PLEASE FORWARD A COVER LETTER INDICATING Job Posting ID number 009-19-0044 AND A COPY OF A CURRENT RESUME TO:

DATED: 1/7/2019

POST UNTIL: Until Filled

NYCERS POSTING NUMBER:
009-19-0044

Preferred Skills and Experience Continued:

- Knowledge of application integration with Cloud services like Nintex.
- Experience developing custom applications that perform CRUD operations.
- Experience managing security on sites and sub-sites and laying out information architecture.
- Experience configuring SharePoint services and settings.
- Experience managing content databases, site layout structures, site quotas and limits.
- Experience in database design, stored procedures and SQL in MS SQL 2008 and above
- Able to multi-task and be pro-active in project planning, requirements gathering and setting priorities based on impact and risk to the business without supervision.

Minimum Qualification Requirements:

Professional/vendor certification(s) in local area network administration that is required for the position to be filled. In addition, all candidates must have the following:

1. A baccalaureate degree from an accredited college, and two years of satisfactory full-time (not classroom based) experience in local area network and/or wide area network planning, design, configuration, installation, implementation, troubleshooting, integration, performance monitoring, maintenance, enhancement, and security management; or
2. A four-year high school diploma or its educational equivalent and six years of satisfactory full-time (not classroom based) information technology experience of which at least 2 years must have been as described in "1" or
3. A satisfactory equivalent of education and/or experience equivalent to "1" or "2" above. Education may be substituted for experience on the basis that 30 undergraduate semester credits from an accredited college is equivalent to 6 months of experience. A master's degree in computer science or a related field from an accredited college may be substitute for one year of experience. However, all candidates must have at least one year of satisfactory (not classroom based) full-time information technology experience as described in "1" above.

Note:

In order to have your experience accepted as Project Leader or Major Contributor experience, you must explain in detail how your experience qualifies you as a project leader or as a major contributor. Experience in computer operations, technical support, quality assurance (QA), hardware installation, help desk, or as an end user will not be accepted for meeting the minimum qualification requirements.

Special Note

To be eligible for placement in Assignment Level IV, in addition to the Qualification Requirements stated above, individuals must have one year of satisfactory experience in a project leader capacity or as a major contributor on a complex project in data administration, database management systems, operating systems, data communications systems, capacity planning, and/or on-line applications programming.

Note:

This position is open to qualified persons with a disability who are eligible for the 55-a Program. Please indicate on your resume or cover letter if you would like to be considered for the position under the 55-a Program.
